

Shineway's high-tech commercialization project received "Ten Years Achievement Award"

The National Development and Reform Commission of China recently granted the "Ten Years Achievement Award" to "The Chinese Medicine Hi-Tech Integration and Automatic Control System in Production Process" of China Shineway. A total of one hundred awardees were selected from over one thousand high-tech projects. China Shineway is one of the only two awardees from the Hebei Province.

Shineway received "Corporate Social Responsibility Award"

Shineway received the "Corporate Social Responsibility Outstanding Award" in the 2008 Social Responsibility Forum of China Medical Enterprises hosted by the China Medical Enterprise Management Association and People's Daily Network.

Shineway received two honors from the Federation of Industrial Economic of the Hebei Province

Shineway was recently honored as the "Leading Enterprise of Pharmaceutical Manufacturing Industry in Hebei Province" and one of the "Top 50 Most Profitable Enterprises in Hebei Province" by the Federation of Industrial Economic of Hebei Province during its nomination of "Top 100 Enterprises" of the province.
