

## **Shineway is honored as China Outstanding Integrity Enterprise again**

China Shineway is named as “China Outstanding Integrity Enterprise” by the China Enterprise Confederation and China Entrepreneur Association again.

As a leading modern Chinese medicine enterprise, China Shineway treasures honesty integrity in our business and excellent quality of our products. Our undertaking of social responsibilities has not only led to our strong reputation on integrity but also wide recognition from the society.

## **China Shineway is selected as the first batch of innovative enterprises of Hebei Province**

The Committee of Science and Technology of Hebei Province selected China Shineway as the first batch of innovative enterprises of the province.

The selection of provincial innovative enterprises was initiated by the Science and Technology Department of Hebei Province, the State-owned Assets Supervision and Administration Commission of the State Council and All China Federation of Trade Union with the objective to encourage innovation and strengthen capabilities of innovative companies. The selected enterprises will be strongly supported by the three entities on scientific research, infrastructure construction and development of standards.
