

China Shineway Is Included as “Top 100 Companies in China Pharmaceutical Industry” again

The Southern Medical Economic Research Institute under the State Food and Drug Administration has recently announced the list of “2006 Top 100 Companies in China Pharmaceutical Industry”. China Shineway is honored to be included as one of the top 100 companies again.

China Shineway obtained another invention patent

A new medicine and its production know-how for treatment of chronic nephritis developed by China Shineway received an invention patent certificate issued by the Intellectual Property Office of the PRC. This patented medicine is a Chinese medicine made out of natural ingredients with proven efficacy on prevention and curing of chronic nephritis and enhancing kidney functions. It is expected that this medicine will soon commence its commercial launch.

Seven Shineway Products Are Labeled as Hebei Province Hi-Tech Products

Promulgated by the Science and Technology Department of Hebei Province, China Shineway has been awarded as Hebei Province High-Tech Enterprise again, and seven products under the Shineway brand are also being included in the first group of Hebei Province High-Tech Products. These products are Qing Kai Ling Injection, Huang Qi Injection, Shu Xie Ning Injection, Xin Nao Qing Soft Capsule, Huoxiang Zhengqi Soft Capsule, Shujin Tongluo Granule and Jiangzhi Tongluo Soft Capsule.
