

## China Shineway announced impressive 2005 net earnings

China Shineway reported impressive earnings for the year ended 31 December 2005. Net profit attributable to shareholders increased by 27.1% to RMB331.5 million. The Board of Directors recommended the payment of final dividend of RMB 10 cents per share and special dividend of 2 cents per share for the year ended 31 December 2005.

The recommended final and special dividends, together with the interim dividend of RMB 10 cents per share, represent a dividend payout ratio of 55% of the earnings of 2005.

At the media conference of the result announcement, the Chairman of the Board, Mr. Li Zhenjiang stated that, "In the coming years, China Shineway will continue to develop and manufacture high quality products with our strong brand equity. Leverage on our high-tech production facilities, efficient research and development model, extensive distribution network, optimized product mix as well as our strategies to strengthen support on points of sale and expansion in potential markets, China Shineway is committed to safeguard the health of Chinese people by providing good efficacy, high quality and value-added modern Chinese medicines."
