

The Model Project of Hi-Tech Commercialization for Jiang Zhi Tong Luo Soft Capsule has passed the final inspection

Officials from the Development and Reform Commission of Hebei Province announced that they have completed their inspection of the Model Project of Hi-Tech Commercialization for Jiang Zhi Tong Luo Soft Capsule (降脂通络软胶囊高技术产业化示范工程) with full satisfaction and will recommend to the National Development and Reform Commission as a top quality model project.

Developed mainly with extract from curcuma, Jiang Zhi Tong Luo Soft Capsule can effectively lower blood lipid, remove turbidity and protect liver. It was selected as one of the "Key New Products of the State" in 2005 under the "Plan of Key New Products" jointly organized by the Ministry of Science and Technology, Ministry of Commerce, State Administration of Quality & Technology and State General Bureau of Environmental Protection of the PRC. The product was also selected as one of the National 863 Projects of Hi-Tech Research and Development Plan and received government grant for further research under the Plan.

China Shineway received the China Outstanding Corporate Culture Award

At the 5th China Corporate Culture Conference, China Shineway received the China Outstanding Corporate Culture Award.
