## **China Shineway commenced ISO / IEC 17025 certification**

Recently, China Shineway officially commenced the project on certification of ISO / IEC 17025 for our Modern Technology and Quality Control Center.

The ISO / IEC 17025 accreditation is endorsed by the National Laboratory of the Ministry of Science and Technology of the PRC for the competence of management of technology, testing and calibration, performed using standard methods, non-standard methods, and laboratory-developed methods covering all of China Shineway's products.

Upon completion of the certification, laboratory reports issued by China Shineway can bear the stamp of China National Accreditation Service for Conformity Assessment ("CNAS"). Stamp endorsement of CNAS is mutually recognized by institutions in 56 countries. The authoritativeness of our Modern Technology and Quality Control Center will be greatly enhanced.

The certification is expected to be completed by July 2008.
