## Shineway was included in Fujian Province's list of TCM formula granules that meet the online procurement requirements

Fujian Province announced the list of the second batch of TCM formula granules that meet the online procurement requirements. In addition to the six existing TCM formula granule manufacturers originally in the national pilot scheme, Shineway is the only qualified enterprise on the list. Other than Fujian Province, Shineway's TCM formula granules also entered onto the supplementary list of Gansu Province for Sunshine Online Procurements.

## Several products of Shineway are recommended by Hebei Province's COVID-19 Chinese medicine prevention & treatment plan

In order to further guide the province's medical institutions on the prevention and treatment of COVID-19 using Chinese medicine, and to give full play to the role of Chinese medicine in this matter, the Hebei Provincial Health and Health Commission issued the "Hebei Province COVID-19 Prevention and Control Plan (Trial Version 6)". Huo Xiang Zheng Qi Soft Capsules, Qing Kai Ling Soft Capsules, Li Yan Jie Du Granules, Qing Kai Ling Injection, and Shen Mai Injection are recommended by the Plan.

## Shineway's exclusive medicinal herb planting base for Pinellia held its soil cultivation ceremony

Shineway's exclusive 600-acre medicinal herb planting base for Pinellia (operated by the Muran Family Farm in Hancun Town, Zhao County, Hebei Province) recently held its soil cultivation ceremony. Shineway adopts the management model of "company + family farm + farmers" by fully participating in the planting management, process control, technical guidance as well as product procurements, and has established a whole-process quality traceability tracking system to control the quality of Chinese medicine herbs all the way to the sources. Pinellia has the functions of drying dampness and resolving phlegm, reducing inversion and relieving vomiting, eliminating suffocation and dispersing knots, etc. It is being used in production of Shineway's Huo Xiang Zheng Qi Soft Capsules.
